THE SARATOGA MEETING.

Racing begins at Saratoga today under more favorable auspices than the oldest of the eastern tracks has been favored with during many seasons past. All indications point to a remarkable concentration of the pick of the horses from the east and the west and the result can hardly fail to be sensational racing from time to time. As showing what eastern anticipations in connection with the meeting are, the New York Sun of Monday, says:

"With only twelve more days to run at Brighton Beach, lively sport is looked for at the track by the sea, especially as the meeting will be followed by almost three blank weeks on the metropolitan circuit. This break in the local schedule will stimulate the exodus to Saratoga, which has already set in, and the reunion at the Springs promises to be the most representative in recent years. The racing at the 'Village' will have no opposition from August 7 to its final day, August 25, when the venue reverts to Sheepshead Bay. The Saratoga meeting opens next Wednesday, and the inaugural feature will be the Congress Hall Stakes. This is one of the most popular events on the two-year old program and is generally signalized by a conflict between the juvenile champions of east and west.

"The coming race will be no exception, as the west will be represented by Golden Rule, by Golden Garter—Lucille Murphy, that comes from the Pacific slope with a phenomenal record. He will be opposed by such clever eastern performers as Mesmerist, Withers, Maribert, Doublet, Vulcan, David Garrick and other likely stake performers. The same class will meet later on in the meeting for the Fleischmann Stakes, and there is every indication of hot racing in this division.

"Joseph J. Burke, who is to officiate as presiding judge at the Springs, and a large party of owners, trainers and speculators thronged the Troy boat en route for Saratoga yesterday evening. Judge Burke said:

"The meeting should be the greatest ever held at this popular summer resort. The management has left nothing undone to insure success, and the book issued contains a rich array of stakes, supported by some of the best horses in the country. The overnight events are also liberally endowed, and horses of all caliber are catered to impartially.

"There is every reason to expect that the picked candidates of the east and west will contend for the choice plums offered. One of the star features will be the Grand Union Hotel Stakes, value \$10,000. For this such noted two-year-olds as His Royal Highness, Maribert, Mesmerist, St. Finnan, Withers, Doublet and Radford are eligible. The Saratoga Grand Prize will be the letter event for Aug. 12. The incentive is \$5,000 and the nominations include Ethelbert, Martimas, Don d'Oro, Banastar, Ben Holladay, Imp, May Hempstead, Briar Sweet, St. Cloud, Jean Beraud, Algol and Tragedian.

"Most of the prominent strings from the west have already arrived at Horse Haven, and installations from the metropolitan stables are being shipped daily. The accommodation is limited to 1,100 head, and it will scarcely suffice. The track is rounding into shape under careful treatment, and it is now 'up to' the owners to furnish acceptable racing material. Ex-trainer Matt Byrne will handle the starter's flag, and the Jockey Club will be represented in the stewards' stand for the first ten days of the meeting by Thomas Hitchcock Jr.

The stakes to be decided during the progress of the meeting and the order of their running are as follows:

July 26—Congress Hall, two-year-olds; 5-8 mile.

July 27—Madden, three-year-olds; 1 mile.

July 29—McGrathiana, two-year-olds; 5-8 mile.

August 1—Fleischmann, two-year-olds; 5 1-2 furlongs.

August 2—Hendrie, three-year-old fillies; 1-16 miles.

August 3—Kearney, all ages; 5-8 mile.

August 5—Grand Union, first part, two-year-olds; 5 1-2 furlongs.

August 7—Worden House, two-year-old fillies; 5-8 mile.

August 8—United States Hotel, three-year-olds; 1-16 miles.

August 10—W. J. Lemp, two-year-olds; 5-8 mile.

August 12—Saratoga Prize, three-year-olds and upward; 1-16 miles.

August 15—Kensington Hurdle Handicap, eight hurdles; 2 miles.

August 17—G. H. Mumm Handicap, two-year-olds; 6 furlongs.

August 19—Citizens and Merchants' Handicap, three-year-olds and upward; 1-16 miles.

August 22—Grand Union, second part, two-year-olds; 5-8 mile.

August 24—Prosper, two-year-olds; 5 1-2 furlongs.

August 25—Spencer Handicap, three-year-olds and upward; 1-14 miles.

August 25—Beverly Steeplechase; full course, 2 1/2 miles.

YEARLING SALES.

The present season for yearling sales is about over, as few if any more consignments are scheduled to pass under the hammer. The breeders and those who conducted the sales have every reason to feel pleased with the results, for prices ruled better than they have for some years past, as the following figures will show. In 1895, one of the best averages was that of the Rancho del Paso youngsters, \$742.73. Other consignments brought low prices, the Longfellow and Rosington yearlings averaged \$347, and the Elmendorf and other yearlings only \$250. In 1896 there was a slight improvement, the Dixiana yearlings averaging \$558, the Nursery \$456, the Ellerslie \$272.60, and Rarococas, \$159. In 1897 prices ruled better, the Neponset yearlings averaging \$1,026.92, the Rancho del Paso \$528, the Fairview \$525.75, and the Runnymede, Hartland and McGrathiana and Larchmont \$400.

One of the best averages realized in 1898 was that of the Silver Brook yearlings, \$1,065.62. The Belle Meade youngsters \$504.37, and the McGrathiana and Runnymede \$886.58, the ruling average last year being about \$500. The high tide of prosperity has been reached this year and the most remarkable sale was that of the yearlings by that peerless sire, Hanover, twenty-three yearlings by him bringing \$52,900, an average of \$2,303.91. At this sale seventy-three head brought a total of \$105,975, an average of \$1,413. Other good averages were Silver Brook, \$1,017; Fairview, 501.72; Rancho del Paso, \$413.18; Melbourne and other yearlings, \$448.23; Belle Meade, \$1,153; Nursery, \$821; Ellerslie, \$566.66, and Dixiana, Spendthrift, Preakness and other yearlings, \$714.70.

There has been a steady demand for first-class lots, and some individuals brought sensational figures. Purchasers have been exacting and did not buy yearlings merely on breeding, but individuality and conformation were also taken into consideration. The prices realized proved that the market was never in a more healthy condition.—Spirit of the Times.

A GREAT RACE THIS WEEK.

The Brighton Beach Cup will be decided next Saturday. It is a sweepstakes with \$5,000 added. The distance is two miles and a quarter, three-year-olds to carry 106 pounds; four-year-olds, 124, and five-year-olds and upward, 127. Great

interest is felt concerning the issue of the race about which S. B. Weems has the following in the Morning Telegraph:

"The more promising candidates left in the Cup, and from which the field of starters will come, are Don d'Oro, Bangle, May Hempstead, Briar Sweet, St. Cloud, George Boyd, Goodrich, Latson, Warrenton, George Keene, Benla, Jean Beraud, Box, Pink Coat, Rappahannock and Previous. Of these Don d'Oro, Bangle, St. Cloud, George Boyd, Warrenton and George Keene may be set down as having the best chances to go to the post. If no more than half a dozen of the pick are eligible to start, the race is bound to be a good one. George Keene, George Boyd and St. Cloud are on form probably the best stayers of the lot, but still many of the others, such as Warrenton, Bangle, May Hempstead, Briar Sweet, etc., while they have not won at the distance, have done all that has been asked of them over shorter routes, and may be expected to acquit themselves in the Cup if they go to the post.

"Earlier in the season Messrs. Headley & Norton thought that a distance of ground was just what May Hempstead wanted, and at that time it was their belief that she would show to advantage in the Cup. What their opinion may be now, or as to whether they will start the filly, I do not know. Don d'Oro has been getting a special preparation for this race, and while he has not gone the distance, still at a mile and a quarter he has reeled off the furlongs in a way to indicate that he would go on. George Boyd has been getting his preparation in his races, and St. Cloud, too, will likely be wound up to concert pitch by Saturday.

"Last year Hamburg, it will be remembered, won with comparative ease from Ogden and Howard Mann, and the year before The Friar, then a three-year-old, won from Sunny Slope and Ben Brush. In the west, as here, long distance racing is growing in favor. At New Orleans, Latonia, Hawthorne and Harlem two mile races are frequent features of the program. It is true they have no very high class horses in the west that have won over this distance, but a lot of useful animals are getting a training as stayers, so that in a short time there is bound to be plenty of material to draw from in the filling of these events."

GOSSIP OF THE TURF.

There are green fields far away. It is singular that so many American trainers and jockeys are anxious to go to England and try their fortunes on the English turf. It is likely that John J. Hyland will go to England in the fall on a tour of observation. James R. Keene is going to try another English campaign. David Gideon is negotiating with John E. Madden for the two-year-old colt The Chamberlain, who shows classic form in every line of his makeup. The Chamberlain is a bay colt, 153 hands high, with a slight blaze and white ankles behind. He is a full brother to Keenan, but is considered by everybody as superior to that gay deceiver. The gallops of The Chamberlain have been closely watched by the trainers and touts at Sheepshead Bay. It has long been known to a few of Madden's intimates that the brother to Keenan is the best colt in his stable.

He is entered extensively in England, so it is likely that an arrangement will be made by David Gideon with Enoch Wishard, who trains for Richard Croker, to train The Chamberlain for his English engagements. Six furlongs in 1:15 easily and a full mile in 1:45 in a gallop was what attracted attention to the colt; hence, as everybody can see him at his work mornings, there is no faith broken in describing the probable winner of the English Derby in 1900.—Morning Telegraph.

LADY ELITE AGAIN.

What the racegoers in this vicinity have wanted to see for several days past was another meeting between the two crack fillies, Lady Elite and Unsightly. Yesterday Secretary Nathanson had a condition race on the card where the pair met at equal weights and at a suitable distance for two-year-olds, at this time of the year, five and a half furlongs. This race proved a great attraction and an enormous crowd was at the Harlem track.

The race furnished a beautiful contest and a stirring finish. It also proved beyond a doubt that Lady Elite is Unsightly's superior. The former won after a desperate drive for nearly three furlongs yet she just managed to get up in time to get the verdict from Merito to whom she was conceding weight.

The race was hardly a fair test of Unsightly's ability, as she was off in a tangle and never really got straightened out. Still she had no more bad luck in the race than did Lady Elite. Beauchamp rode the latter and took a desperate chance to squeeze through on the rail in the stretch. Jockey Mathews, who rode Merito, thought he won the race, and when he got back to the stand to weigh in and saw Lady Elite inside of the ring, that is always made for the winner, a look of amazement came over his face.

Track Superintendent "Billy" Myers had a big surprise in store for the army of handicappers and close observers who thought that after such a heavy fall of rain the night before the track could not help but be muddy. The truth of the matter is the rain, with all the attention the track got after it fell, was just what the course needed and it was in excellent condition.

Wagner & Weber tried to burn up the ring in the first race with their Kingston—Carmenita colt, Jake Weber, and came very near doing it. The youngster opened at 15 to 1, but under a steady play his price was cut down to 2 to 1. At this figure he went to the post. That the men who played Jake Weber knew what they were about is beyond a doubt. He proved a fast breaker, and getting away in front, immediately started to make a runaway race of it. The first eighth was run in 11 and the quarter in 23 1/2 seconds. This put Jake three lengths to the good, and swinging into the stretch he appeared to have everything his own way. Suddenly he tried to run out, losing quite a bit of ground. Hill became a trifle nervous and went to the whip. This seemed to frighten the colt more than it did him good, and below the sixteenth post both Lomond and Decoy had him beaten. The latter wobbled in the last twenty yards, and Lomond, running game and true, won by three-quarters of a length.

Prince Blezes, roughly ridden by W. Jones, won the second race in a very hard drive by a length and a half from Deering. Jones bumped everything within reach of him on the first turn, and repeated this performance again on the far turn. He evidently frightened the other riders, for they pulled out and let him through.

Nick Hall's useful and consistent filly Canace proved the best in the third event and stepping the three-quarters in 1:14 flat she won off by herself.

The fourth at one mile and twenty yards went to Lord Zeni, the natural favorite, and the sixth also at one mile and twenty yards, which had eighteen starters, was won by McAlbert, a 30 to 1 chance.

The judges, after investigating the Brigade race, came to the conclusion that the horse and not Jockey Flick was the cause of the miserable showing made by him in his race Monday. They notified owner E. R. Bradley that his entries would be refused at Harlem hereafter.

The jockeys of Harlem and Hawthorne are to give a grand ball at Williams' Hall, Madison and Harlem ave., Saturday evening, July 29. Jockeys Nutt, Bloss, Tabor, Hill and others are on the reception committee, and an evening of enjoyment is promised.

RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private informa-
tion. It seeks none. Its calculations over the
horses as they are grouped daily at various
racetracks are purely those of general perform-
ance and ability as shown by the records and
the application and knowledge of its editors
and the reports of its correspondents. These
calculations are printed daily. Nothing is
hidden. All that the staff of the paper knows
is put into type. If the selections made nightly
are sought by persons outside the daily delivery
lines of the paper they will be sent by Western
Union night rate messages (collect) at \$5 per
track per week. Such service is not solicited,
but if it is considered valuable, will be per-
formed.

Winner—B. c. by Miclothian—Tallada.
Post 12 minutes. Start fair. The first four were under full sail. Lomond was well handled. He got away in a good position and Beauchamp kept him there all the way, coming with a well-timed rush at the end. Decoy had no excuse. He seemed to be winning a sixteenth out when he got to Jake Weber, and quit badly at the end. Jake Weber was a hot thing, and came near delivering the goods. He was off running, always had clear sailing, but quit when the pinch came. Frangible was in a bad racket all the way. So was Maharajah, who never got through until the stretch was reached. The race was strictly between the first five. Bloss on Maharajah, was hit in the eye by a stone. Jake Weber bore out at the head of the stretch, losing considerable ground.

Scratched—12811 Scorpula, 106; 13117 Satan, 103; 12777 Summer, 106; Brampton, 103.

Overweights—Ravenswood, 2 pounds; Prairie Dog, 2.

Lomond, place, 2 to 1; show, 9 to 10. Decoy, place, 8 to 5; show, 4 to 5. Jake Weber, show, 3 to 5.

Winner—B. g. by Blazes—Bettie Prince.
Post 6 minutes. Start good. It was a driving finish. The first three fought it out the entire length of the stretch. Jones rode a very rough race on Prince Blazes. He fouled everything in reach of him on the first turn and then again on the far turn. In fact he bumped his way through the last three furlongs. The ride was a very bad one. Deering seemed too heavy headed for Knight to do him justice. The little fellow tried hard but could not make the horse extend him. Nutt rode a lazy race on Marcato. He would have been second with a more vigorous finish. Fonclif appeared to have a royal chance to win on the stretch turn but his chances were ruined by the bumping and jostling caused by Prince Blazes. Malaise stopped in a stride after going about five furlongs.

Scratched—(12958) Dashaway, 102.

Overweights—Fonclif, 3 pounds.

Prince Blazes, place, 2 to 1; show, 4 to 5. Deering, place, out. Marcato, show, 2 to 5.

Winner—Ch. f. by Creighton—Nellie Bell.
Post 6 minutes. Start poor. Won easily; second handily; third, fourth and fifth driving hard. Canace ran the best race and was best ridden. She got away well on her stride, had clear sailing and came away on call in the stretch. This is a good filly and at her best now. Georgie took the short route and had no excuse. April's Lady suffered from bad racing luck. She was off poorly and was bumped and interfered with on every turn. With clear sailing she would have been second and probably would have given Canace an argument. Silver Tone ran a dull race. Lime Water, slow to get on his stride, was running great guns at the finish. Mark him at a mile or over. Little Jack Horner stopped to a walk in the stretch. Latch Key had no chance from where he got off.

Scratched—13354 Maryland Reserve, 112; 13496 Princess Murphy, 110.

Overweights—Heroics, 3 pounds.

Canace, place, 7 to 5; show, 4 to 5. Georgie, place, 4 to 1; show, 2 to 1. April's Lady, show, 2 to 1. Silver Tone, place, 4 to 5; show, 2 to 5.

Winner—B. h. by Fonso—Minnie Williams.
Post 18 minutes. Start good. Won in a hard drive; second and third doing their best. Lord Zeni ran a cracking good race. He got into a jam on the first turn and was lucky not to be thrown over the fence. Knapp used judgment with the horse after that and placed him cleverly to the three-furlong post, where he made his run. He went very wide on the stretch turn and carried Mary Kinsella with him. There was no excuse for Lord Zeni going so wide, but Knapp made up for this by a strong finish. The horse was very tired and wanted to swerve below the sixteenth post. Three Bars ran a good race and hung on gamely at the finish. Mary Kinsella tried hard to make up the ground she lost by being carried wide on the stretch turn, but could not. The ride Little Singer got handicapped her. Amelia Fonso seems to be of no account and Uncle ABB less.

Scratched—13406 Maceo, 122; 13193 Winslow, 107.

Lord Zeni, place, 7 to 10; show, out. Three Bars, place, 4 to 1; show, even. Mary Kinsella, show, out.

Winner—B. f. by Order—Bonita Bille.
Post 8 minutes. Start fair. Won in a terrific drive of two; third, fourth and fifth driving just as hard. It was a very close finish and only the judges could tell what won. Lady Elite ran a grand race. She was off in a pocket and for a long time could not get through. Beauchamp took a dying chance with her coming up the stretch. He squeezed through a tight place and by riding a powerful finish got up just in time. Merito ran a good, game race and was well ridden. Clara Wooley set a terrific pace in the first part of it and tired at the end. She would have been beaten for third place in another stride. Lovable, off badly, ran a splendid race and finished with a rush. When the barrier went up Unsightly was all tangled up and did not seem to possess her usual turn of speed. Nutt was obliged to come wide on the stretch turn with the filly. Dixoletta showed a smart turn of speed for about three furlongs. Kittie G. threw her rider while going to the post and ran away. The filly was caught, remounted and started.

Scratched—13522 Contessa, 96; 13478 Aileen Wilson, 96; 13551 Mitten, 100.

Lady Elite, place, 4 to 5; show, out. Entry, place, 8 to 5; show, 3 to 5. Clara Wooley, show, 2 to 1. Unsightly, place, 2 to 5; show, out.

Post 8 minutes. Start good. Won driving; the next four were driving also. McAlbert ran the best race. He stood a drive for the last half mile. Papa Harry came strongly after he got straightened away. He only beat Jennie F. in the last stride. The latter got away in front, always had clear sailing and had no excuses other than that she stopped. Mary Prather came with a rush at the end. So did Vinetta. Astor quit badly. Yours Truly pulled up lame. Overella was worsted out a mile and a half after the race.
